101 TOTAL PROTECTED AREAS

3 NATIONAL PARKS

2 NATURAL MARINE AREAS

30.000 ANIMAL SPECIES

3.500 CENSUSED PLANT SPECIES

These are the numbers of the environmental heritage of the Latium region, a unique territory in the world, where archaeological finds of enormous importance, a vast biodiversity, enchanting landscapes and old-established historical and artistic traditions coexist.

Within these areas the Regione Lazio promotes research activities, family workshops, educational projects for students, thematic pathways, guided tours and hikes, bike and horse rides.
